Thank you for your interest in teaching at the Ramsey Community School. We are a highly regarded community school offering over 150 courses and 30 excursions every semester, children and youth summer programs, and year-round online learning.

At Ramsey Community School we are constantly striving to offer a diversified, high quality program, accommodating both the young and mature student. That means we are always looking for enthusiastic and knowledgeable people to teach at our school and welcome new and innovative ideas.

If you have a special talent or expertise and would like to submit a proposal for consideration, you may download a proposal form from this website and submit the completed form one of two ways:

By fax to: (201) 934-8048, Attn: Community School

By mail to: Ramsey Community School
256 E. Main Street
Ramsey, New Jersey 07446

Although we accept proposals throughout the year, proposals are reviewed in October for the spring semester and in April for the fall semester. If we are interested in your proposal, you will be contacted to arrange for an interview. In the event your proposal is not accepted for the current semester, it does not mean it won't be considered in the future. We do keep proposals on file for future reference.

Should you have any additional questions, please feel free to call our office at (201) 327-2025 or email us at: RCSInstructor@ramsey.k12.nj.us.

We welcome your proposal and look forward to hearing from you.
